For a more traditional approach, e-mail Anna Michielini and stay in one of her flats at **Anna Michielini Rooms** (L80,000 double apartment, L160,000 apartment for up to six people). Anna's daughter Daniella went to school in London and speaks perfect English, and her husband, Camillo, hooks guests up to the Net for free. The apartments vary in sizes--one is an enormous two-bedroom and another is a studio--but all have homey and simple decorations and come complete with kitchens and cookware (eating out does, in fact, get old).

Edi Apartments (L80,000 double) are run by Edi himself, who presents guests upon arrival with bottles of his homemade limoncina. Don't drink it all in one sitting--this ain't lemonade. The apartments vary in size, but all have kitchens and bathrooms.
